Protecting You...

# SneezeGuard

In these difficult times, if you have workers that are exposed to the public, get the Sneeze Guard and protect your workers and your clients from the possible transmission of COVID-19. Whether it's the Coronavirus, the flu or the common cold get the added protection of the Sneeze Guard.

- Easy to install
- Saves you money on sick days
- Improves your clients' impression of your establishment

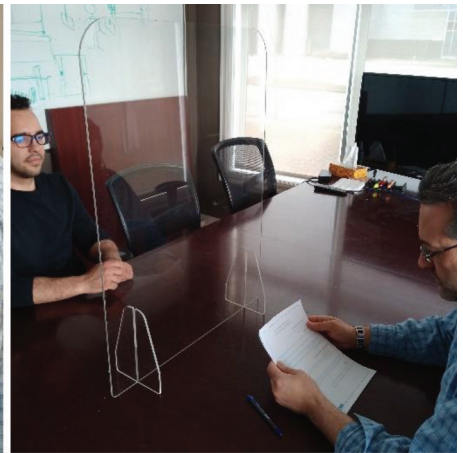

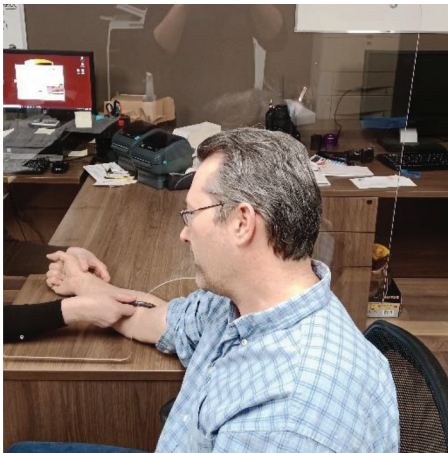

The Sneeze Guard is available in over 20 different sizes from 32" x 32" (81 x 81cm) to as large as 48" x 96" (122 x 144cm). It's also available in different models: table top, suspended, attached to the counter, etc.

**Whether it's for:**

a blood test

customer service

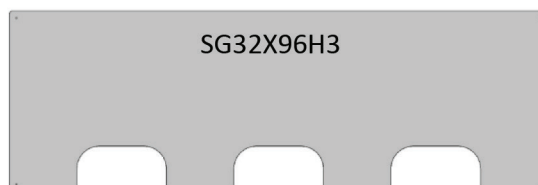

or a business meeting

**The SneezeGuard is there for you!**
