TOUCH FREE DISPENSERS

These handsome No-Touch automatic dispensers come with a foaming tip so they work with foaming hand sanitizers and soaps as well as with non-foaming liquid hand sanitizers! The one tip handles them all!

They come with 2 settings- a single-squirt or an automatic double-squirt! You decide. They are great for ALL of our hand sanitizers like FOAMAHOL, INSTI-FOAM, and RESCUER. They work great with AROMA FOAMA BERRY, AROMA FOAMA E-2, LOTIONIZED HAND SOAP and more!

Dispensers hold (8) AA batteries, but will work with 4 batteries. Batteries are not included.
