

****Updated 4/12/21 with new Air Purifiers****

OSC COVID-19 Supplies & Resources

The OSC has been working with our vendors and partners in an effort to provide members assistance in building sanitation and cleaning services as it relates to the COVID-19 pandemic. The OSC is proud to announce that we have many products and services available to our members. These products meet CDC standards for COVID-19. If your district is interested in purchasing, please refer to the product ordering info below. **Pricing and product availability may change based on demand. Please refer to ordering links below for updated info.**
