

## MA-25 Air Purifier

The most powerful tabletop air purifier on the market with dual air filtration.

The Medify Air MA-25 uses Dual filter on both sides with three levels of filtration to catch and remove allergens, pet dander, and more. The high-efficiency H13 TRUE HEPA filter is tested to removed 99.9% of particles down to 0.1 microns. This higher-grade of HEPA filter easily catches pollen, dust mites, and other tiny airborne particles you can't see.

A lifetime warranty on parts and service is offered as long as the filters are changed every 4 months with genuine Medify Air filters.

Perfect for K-12 classrooms, baby nurseries, kitchens, small offices, and more
