LET US BE YOUR

TRUSTED COMMUNICATIONS TOOL

Robust and Unified School Communications

Delivering over 6 Billion messages a year for 63,000 schools, SchoolMessenger is the most trusted unified school communications platform in K-12 by far. The industry standard in school notifications, SchoolMessenger integrates with over 130 data sources and sends multi-channel messages over the world's largest K-12 communications network.

How to learn more:

- + Contact Elizabeth Andrews at 1-803-406-0057 or email Elizabeth.Andrews@west.com.
- + Visit www.schoolmessenger.com

Innovative Messaging

Expand the world's most powerful unified communications platform and add on classroom communication with Chat, featuring two-way translation for 100+ languages.

Safe & Secure Platform

Leverage parent notification that meets the highest data security standards. Chat allows for parent and teacher-initiated messaging in a safe environment with district oversight.

Discount Info
