Expert Guidance

Since 1985, Engineered Systems has been directly involved with almost 2,200 state/federal and educational projects totaling nearly 37 million square feet in work.

Variety

Duro-Last Roofing offers 12 standard colors. We also offer 20, 25 and 30 year, No Dollar Limit warranties. And we work with the best local roofing contractors for your installation.

Discount Info

A 5% materials discount is offered to OSC members. On average, we have been able to save 30-50% off the entire cost of the project, versus other roofing systems.
