

SUPPORTING OHIO'S CHILDREN

Our mission. Our motivation. Our purpose.

OHIO SCHOOLS COUNCIL

ANNUAL REPORT 2024-25

LETTER FROM OUR EXECUTIVE DIRECTOR

Dr. William J. Zelei

Executive Director
Ohio Schools Council

Dr. Zelei has led the Ohio Schools Council for over a decade with a steadfast commitment to serving students and supporting schools across the state. Under his leadership, the OSC has grown significantly in membership and impact, delivering cost-saving programs and essential services to help districts thrive.

Supporting Ohio's Children

Our Mission. Our Motivation. Our Purpose.

Dear Members and Partners,

Welcome to the 2025–26 school year. I hope your summer offered a chance to rest, reflect, and reconnect. As we begin a new academic year, the Ohio Schools Council (OSC) remains grounded in a clear purpose: supporting Ohio's children. That's our mission, our motivation, and our guiding principle in everything we do.

As we close out Fiscal Year 2025, I'm proud to share that the OSC now serves **327 total members, including 259 K–12 school districts, 16 Educational Service Centers, 16 Career Centers, and 36 Affiliate Members.** We were pleased to welcome **25 new members** this year—marking one of the most rapid periods of growth in OSC history and reinforcing the value of trusted collaboration.

Collaboration in Action, Savings That Matter

Together, we've generated meaningful savings that bolster district budgets and advance educational priorities. In FY23 and FY24 alone, OSC programs saved members over \$57 million. Here are some major highlights:

- Over \$38 million saved through OSC's Energy Programs in FY23 & FY24
- Over \$17 million saved through OSC's Non-Energy Programs in FY23 & FY24
- Over \$2 million in rebates and refunds back to members in FY23 & FY24

Expanding Support in FY25

To better serve our members, we introduced several new offerings this year, including:

- | | |
|--|---------------------------------|
| • Cybersecurity Assessments & Training | • Paving Services |
| • Digital Floor & Site Plans with 360 Photos | • Playground Safety Assessments |
| • Doors/Windows/Security Film | • Robotic Field Painting |
| • Equipment Rental Services | • Robotic Lawn Mowing |
| • Inventory Control & Records Retention | • Vehicle Diagnostic Software |
| • Moving Services | • Weapon Safe Systems |

Looking Ahead

As we move into a new school year, our commitment remains strong. We will continue to listen, adapt, and provide meaningful support so that you can focus on what matters most—your students, your staff, and your community.

Thank you for your partnership. Please don't hesitate to reach out if we can support your work in the months ahead.

With gratitude,

Dr. William J. Zelei

2024-25 FINANCIALS

GENERAL FUND: ENDING CASH BALANCE

\$9,801,190

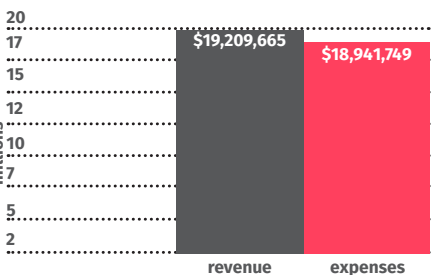

GENERAL FUND: REVENUE AND EXPENSES

AGENCY FUND: ENDING CASH BALANCE

\$3,781,431

AGENCY FUND: REVENUE AND EXPENSES

OSC GENERAL FUND: The OSC concluded Fiscal Year 2025 in a position of continued financial stability, supported by strong member participation, responsible fiscal management, and strategic reinvestment in services that meet the evolving needs of Ohio’s educational institutions. This year marked one of the OSC’s most significant growth periods, with membership reaching 327, including school districts, educational service centers, career centers, and affiliate organizations.

General Fund revenues totaled \$2,496,643, with expenditures of \$2,539,109. OSC maintained a strong financial position, ending the fiscal year with a General Fund balance of \$9,801,190, ensuring ongoing capacity for growth and sustained support for member organizations.

In response to member needs, the OSC introduced several high-impact programs during FY25, including Cybersecurity Assessments and Training, Doors/Windows, and Security Film Solutions, and Digital Floor and Site Plans with 360 Photos. Additional offerings launched this year included Equipment Rental, Moving Services, Inventory Control & Records Retention Solutions. To further support district operations and safety, members also benefited from Paving Services, Playground Safety Assessments, Robotic Lawn Mowing, Robotic Field Painting, Vehicle Diagnostic Software, and Weapon Safe Systems.

These investments reflect the OSC’s ongoing commitment to financial stewardship, service innovation, and delivering tangible value to the growing number of educational institutions we serve.

OSC AGENCY FUND: In Fiscal Year 2025, the OSC Agency Fund continued to manage the routine receipts and disbursements associated with the Natural Gas Program and Life Insurance Program. During the year, the Agency Fund recorded revenues of \$19,209,665 and expenditures of \$18,941,749, reflecting consistent program activity and stable participation.

“As Executive Director of the Ohio Schools Council, I am honored to celebrate the outstanding members of Ohio’s educational leadership community who have earned statewide recognition and taken on influential leadership roles. Their unwavering commitment to supporting and advocating for students is shaping a stronger, more equitable future for education across the state. These leaders exemplify what it means to serve with purpose—ensuring that the needs of students remain at the heart of every decision, policy, and initiative. We commend their vision, dedication, and the lasting impact they are making for Ohio’s learners.”

Big Wins for Ohio's Schools

The OSC's programs are delivering powerful results for Ohio's school districts—saving members over \$57 million across FY23 and FY24. These savings include:

- Over \$38 million through Energy Programs
- Over \$17 million through Non-Energy Programs
- Over \$2 million in rebates and refunds

This level of impact underscores the value of shared services and cooperative purchasing. But the benefits go beyond the numbers. The OSC helps districts streamline procurement, reduce administrative workload, and access trusted vendors and programs that would be difficult and time-consuming to secure independently.

Districts are turning these savings into real progress—reinvesting in students, upgrading technology, improving facilities, and expanding instructional resources. From long-term savings of over \$1 million to immediate cost reductions, OSC members are realizing significant, measurable wins that strengthen both budgets and communities.

As we look ahead, the OSC remains committed to helping districts do more with less—building strong partnerships, creating new efficiencies, and delivering the support schools need to thrive.

Make sure to check out your savings certificate released every November at the OSBA Conference.

Energizing Schools Through Smarter Savings

Protecting School Budgets Through Expert Legal Advocacy,
PUCO Engagement, and Utility Cost Savings—At No Extra Cost

In today's uncertain energy markets, districts need a consistent advocate. Since 1986, the OSC has provided that support—delivering significant utility savings through a dedicated program manager, energy consultant, and leadership team who actively navigate the market.

In addition to negotiating and securing significant energy rate reductions, the OSC continues to deliver value by investing in legal and expert testimony in energy distribution rate cases before the PUCO. These efforts help secure discounted rates for schools, saving over \$1 million annually.

Energy Advocacy & Support:

- **Rate Reductions:** In FY25, the OSC secured a 9% discount for Dominion/Enbridge schools and preserved FirstEnergy's 8.7% credit. In FY23, Columbia Gas discounts increased from 5% to 7.5%.
- **Billing Audits:** Recovered over \$1 million in overcharges since 2019.
- **Demand Response:** Helped districts earn over \$225,174 through CPower since 2020.
- **Energy Guidance:** Provides ongoing support on rates, billing, and strategy to help districts manage energy costs.

"The level of efficacy and trust we have with the work of the OSC helps us have confidence in being good stewards of our resources. Thank you for looking out for school districts and for the service you provide members."

Safety in Practice: 2024-25 Highlights

Building Safer Schools: Practical Support, Proven Results

At the OSC, we know that real school safety goes beyond compliance — it takes preparation, clarity, and trusted support. That's why our Safety and Security Services are designed to help schools strengthen emergency readiness with expert consultants and hands-on solutions. **OSC supports schools with:**

- **Planning:** Emergency Management Plan Subscriptions, Digital Floor & Site Plans, 360° Photos, Networking Support, and Tabletop Exercises.
- **Assessments:** General Security, Playground, and Cybersecurity Assessments to enhance infrastructure, readiness, and access to grant opportunities.
- **Training:** Security-focused training for Bus Drivers, Behavioral Assessments, Active Threat Response, Security Personnel, and more.

Where Connection Sparks Progress

OSC Network Meetings unite professionals across Ohio to share ideas, solve challenges, and build the future—one conversation at a time.

In 2024–25, one theme powered every OSC milestone: people coming together. Across Ohio, school leaders and frontline professionals met—not just to connect, but to move forward together.

Now in their third year, the OSC Network Meetings have become more than scheduled gatherings. They are trusted spaces where ideas spark action, meaningful discussions happen, resources are shared, and practical solutions are built from real experience. From Food Service Supervisors bringing fresh, local foods to menus, to Transportation Supervisors streamlining routes, and Business/Maintenance teams trading operation strategies and efficiencies—these networks turn challenges into progress.

Quarter after quarter, momentum grew. Business Managers, safety professionals, and operations teams kept showing up—and proving the power of collaboration. Members may belong to any or all of the OSC’s **five dynamic** OSC Networking groups: **Business, Food Service Supervisors, Maintenance Supervisors, Safety & Security and Transportation Supervisors. Find your fit and join today!**

“We first heard about the EPA Clean School Bus Grant during an OSC Network Meeting. The OSC staff encouraged us every step of the way, and we were ultimately able to secure the grant for our district. Barberton is the perfect place—with its small square mile area—to try this. And of course, the buses are environmentally friendly.”

**Craig McKendry, Treasurer
Barberton City Schools**

New OSC Programs Built from Member Feedback

Playground Safety, Cybersecurity Assessments, Moving Services, and more—all inspired by real needs shared in OSC Network and Advisory meetings

At the OSC, every new program starts with listening to members and turning their feedback into practical, cost-saving solutions. During Network and Advisory meetings, staff from across districts share real-world challenges—from enhancing cybersecurity and securing facilities to improving grounds maintenance, streamlining equipment rentals, and managing records. These conversations led directly to the launch of 12 new programs in FY25.

OSC Hosts Two Dynamic Professional Development Events

June events brought nearly 600 school support professionals across Northern Ohio together for hands-on training, collaboration, and renewed purpose in their essential roles.

In June 2025, the Ohio Schools Council proudly hosted two high-impact professional development events, drawing nearly 600 school support professionals from across the state. These events celebrated the essential roles of custodial, maintenance, and food service staff, offering hands-on learning, leadership development, and community connection.

On June 11, the 3rd-Annual **Custodian Maintenance Leadership Conference (CMLC)** welcomed nearly 400 attendees to Brecksville-Broadview Heights Middle School. Centered on the theme “Leading with Pride, Cleaning with Purpose,” the conference featured engaging breakout sessions on risk management, preventative maintenance, student interaction, and more. Keynote speaker Joshua Peach inspired the crowd with a message of gratitude and purpose, reinforcing the critical impact these professionals have on school communities. Notably, CMLC generated \$5,000 in scholarships—marking the third consecutive year of awarding funds to support students’ journeys beyond high school.

Just one week later, nearly 180 food service professionals gathered in Akron for the **Fresh Perspectives Conference: Local Food and Inspired Learning for School Food Service Staff**. Co-hosted with Feed Our Future and held in partnership with the Cuyahoga County Board of Health, the grant-funded event included sessions on scratch cooking, sanitation, menu planning, and customer service. Highlights included a hands-on knife skills practice, a culinary session led by the Chef Ann Foundation, interactive team-building activities, and the awarding of \$6,000 in scholarships to help students pursue educational opportunities after graduation.

Together, these events reflect the OSC’s commitment to investing in the people who keep schools running every day—providing not only practical training, but recognition, connection, and inspiration.

“We’re not just cleaning — we’re caring for people. This conference reinforces how important our work really is.”

OHIO SCHOOLS COUNCIL

SCHEDULE A 1:1 MEMBERSHIP SESSION

- 30-minute *initial*, or 15-minute *refresher* session
- Discover new OSC Programs
- Learn about new Partners
- Save time and resources
- Easy access to grant opportunities

When it comes to saving time and resources, OSC is your partner! Let's meet and discuss your current membership and offer new ways we can help you succeed and save money!
