# PHONE-FREE POLICY SOLUTION

## Create secure phone-free spaces

Since 2014, Yondr has led the charge to create phone-free spaces, supporting millions of students around the world every day.

Yondr is proud to work with schools to help students experience the focus, creativity, and relief that comes with a phone-free education.

### Secure

*Unique, lockable pouch means students keep their phones, but cannot access them during the school day.*

### Time saving

*Teachers no longer have to be the phone police, and pupils get a much needed 6-8 hour break from digital distractions.*

### Discount Info

*Pre-negotiated discounts available exclusively to OSC members. Contact us for your special OSC Pricing!*
